2026 Winter Plumbing Campaign

LINCOLN PLUMBING & WATER FILTRATION

Campaign Overview

This seasonal campaign is designed to educate, engage, and convert local homeowners during peak winter plumbing season. It addresses common cold-weather pain points, like frozen pipes and water heater failures, while positioning Lincoln Plumbing as a proactive, trustworthy solution provider.

The campaign includes:

• 6-Touch Nurture Sequence:

A full email + SMS flow guiding customers from awareness to booking. Each touch builds urgency, educates on winter risks, and reinforces Lincoln Plumbings reliability.

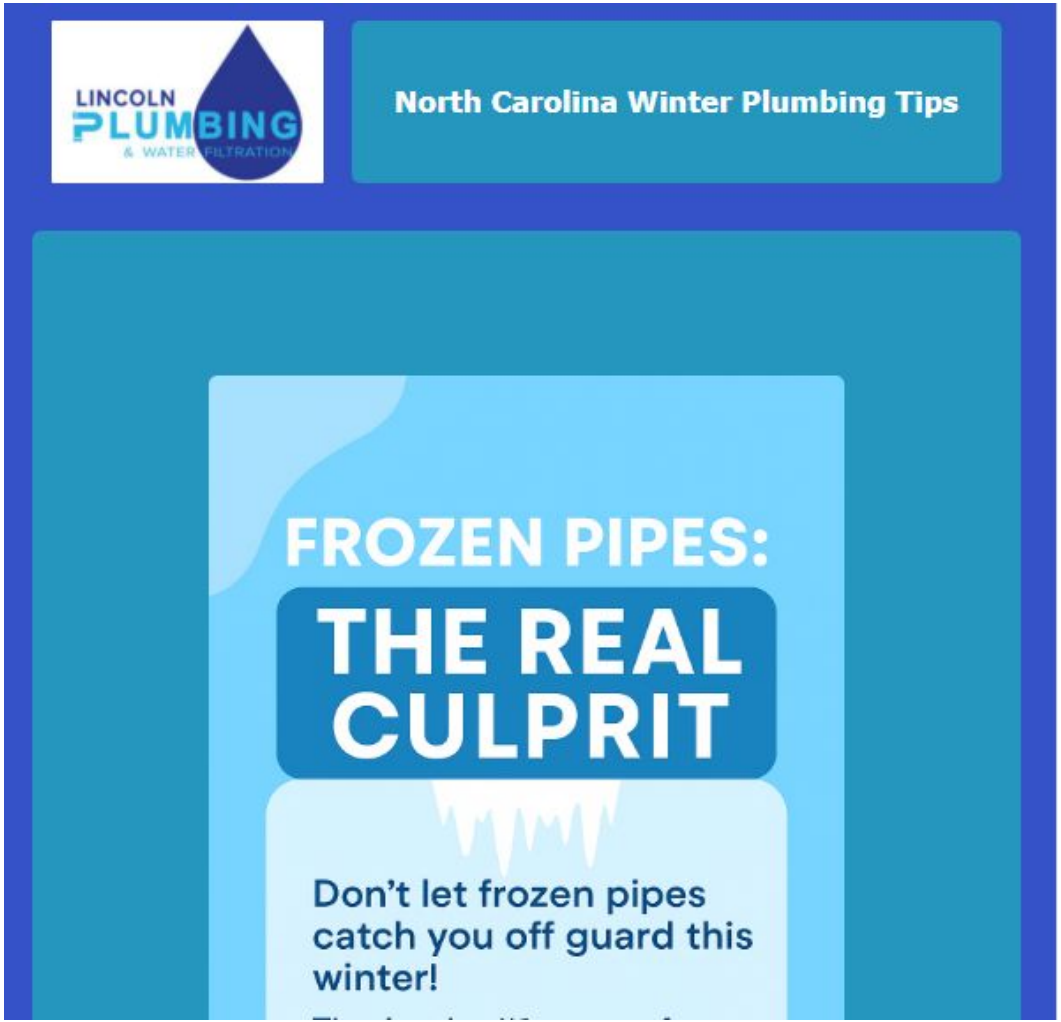

• 12 Social Media Posts:

- ❏ 4 Quick Tips (bite-sized advice)
- ❏ 4 Seasonal Offers (limited-time promos)
- ❏ 4 Before/After Posts (visual transformations showcasing service impact)
